OBEDIENCE AND RALLY RING: VOLUNTEERS

Looking for volunteers for stewards in the Obedience & Rally ring! Ideally, we should have at least 4 stewards each for both Obedience and Rally, but more is always better (if we have more than 4 volunteers for each ring, we can rotate people).

If you can help, please contact the Obedience and Rally Chair, Rebecca Logsdon, at rlogsdon90@gmail.com.

Grant Elementary, Winship Junior High, and Eureka High, all in Eureka. College: Humboldt State University and San Francisco State University (Graduated with BA – Film). Also, two years of law school.

What's your current job, or former, if retired? (Extra credit – list other jobs that you have had)

Paralegal at Fennemore Wendel in Oakland, specializing in Intellectual Property (trademarks). I have worked at various positions at 5 different law firms over the course of 35 years.

Married (Name of spouse, if you wish)?

Yes, Eric Logsdon. Many of you already know Eric!

What's your spouse's current job, or former, if retired?

Paralegal, most recently with Bonhams Auctioneers.

What's a fun fact about you and/or your family?

The Dennis K. Walker Greenhouse building at Cal Poly Humboldt is named in honor of my Dad. He collected many of the greenhouse's specimens during his worldwide travels.

When did you get your first Sheltie (and tell us about him/her)?

In 1995, I got Blue from Sheltie Rescue (I picked him up from Amy Brastad's house). He was a striking dark blue merle, about 10 years old at the time. He lived to be 15. After he passed, I was able to trace his tattoo to Canada – his registered name was Trilight Seasons Change.

What other breeds have you owned besides Shelties?

My family had several Alaskan Malamutes when I was a kid. I am still very fond of the breed.

Are you competing (or have you competed) in Conformation and/or Performance? (Extra credit – list the type of performance events)

I compete in agility, obedience and rally, primarily. In the past, I have also competed in freestyle obedience (dog dancing) and tricks, even a tiny bit of conformation.

How long have you been showing or doing performance? (Extra credit – if you started with a breed other than Shelties, please list)

My first competition was the NorCal Specialty in October 2003 with Coulter.

What other dog organizations do you belong to and how long have you been a member? (Extra credit – list any officer, board or chair positions)

San Lorenzo Dog Training Club. President since 2010. Past Board positions with SLDTC include Secretary and Social Welfare Director.

How many times have you been to the ASSA National? (Extra credit – list the years and locations)

Twice. Reno in 2016 and Albany, Oregon in 2019. Had a blast both times.

How many Titled Performance dogs have you owned and in which activity?

Five (titles in agility, obedience, rally and/or tricks with Coulter, Keaton, Dashiell, Josh and Abbey)

What have been your biggest thrills or accomplishments as a Sheltie breeder, owner and/or handler?

3 stand out - Dashiell winning the 12-inch Excellent Jumpers class at the Reno National, Dashiell finishing High in Trial at NorCal Specialty, and getting a CD and all those agility titles on Coulter (who was such a shy boy).

Any Shelties, past or present, with unusual or funny personality traits or special talents?

All of them! Most recently, Abbey is quite adept at digging up gophers. She then harasses them by poking them with her pointy nose until they get mad at her.
